# Business Success

---

*“May the Lord give you success, and may he give you  
and your children success” (Psalm 115:14, NCV).*

---

Lord, I thank you for blessing me with this business. Thank you for blessing me with ideas on how to prosper in this business. At times, I feel uncertain about the next step I should take, but I thank you for your guidance. When I depend on your knowledge and wisdom working within me, all of my plans succeed.

I thank you for blessing the work of my hands. I thank you for stirring my creativity. I declare that everything I touch is a success. By your grace, I always receive paying customers for my products and services. I am always in demand. I always work to the best of my ability, as if I am working for you, God, not just people.

My work is a joy and a pleasure. I earn good money doing what truly satisfies me. I learn from every experience and from every person I work with in this business. I move from success to success and from glory to glory. I honor you and praise you,

Father God. I look to you to provide everything I need to be successful. Save me from the temptation to take short-cuts or enter business with people who do not share my values. It is you who causes me to get wealth, not connections or schemes. Your word says the blessings of the Lord make me rich without sorrow or struggle.

Lord I thank you for blessing everybody who supports me; my family, employees, customers and angel donors. Thank you for sending the right people with right intentions to partner with me as I expand my brand and service offerings. Help me to always be courteous, kind and fair in every situation, despite how others might treat me.

I thank you for opening doors of opportunity for me. I thank you for blessing this business with your divine favor. Regardless of what happens, all things work together for my good. I declare that I am blessed beyond my wildest dreams.

In the name of Jesus, I thank you that it is so. Amen.
